Who Discovered

12,000 Soldiers Mastering **Boxing at Camp Custer**

Work of Charley White, Civilian Instructor, Indorsed by Major Gen. Kennedy, Who Says Art of Self-Defense Has Worked Greater Benefit to Recruits Than Any Other Factor.

This is the sixth of a series of articles on boxing in the army especially prepared for The Evening World and written by the civilian instructors, who are for the most part well-known pugilistic stars of the country. They will show the benefits derived by our soldiers from the systematized study of the manly art, its relation to the allimportant bayonet fighting and its value as a conditioner of men for serious business "over there." It is a big work, as will be seen from the articles as they appear in these columns from time to sime.

Why Chilly Weather Brings Rheumatism

Says skin pores are closed and urio acid remains In blood.

Rheumatism is no respecter of age. Georgian Diamissed from West sex, color or rank. If not the most congrous of human afflictions, it is one of the most painful. Those sub he tried to make a freshman cann at ject to rheumatism should cat less mest, dress as warmly as possible, avoid any undue exposure and, shove all, druk lots of pure water.

Rheumatism is caused by urle acid which is generated in the howels and absorbed into the blood. It is the function of the kidneys to filter this and from the blood and cast it out in the prine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, tions forcing the kidneys to do double ork, they become weak and sluggish and fall to eliminate this uri which keeps accumulating and circu lating through the system, eventually actiling in the joints and muscles

causing atiffices, acreness and pain At the first twings of rheumatism get from any pharmacy about four unness of Jad Salts; put a tablespoon-ful in a glass of water and drink hefore breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood

of these impurities.

Ind Salts is inexpensive, harmless
